

PRE-ORDER ACBR 2019

The 2019 edition of ACBR will be distributed to more than 20,000 key decision-makers worldwide

The ACBR is the definitive resource for understanding Africa

ACBR 2019 will provide users with the deepest and most holistic understanding of Africa. Gain 'early-bird' access to ACBR 2019 by pre-ordering before 30 May 2019.

Valuable data and insights on:

BUSINESS:

Considers the commercial success of a country and the ability to access and develop its markets.

ECONOMICS:

Analyses the overall regulatory and financial health of a nation.

POLITICS:

Assesses the political climate in terms of democracy, freedom, governance, justice and stability.

SOCIETY:

Explores the quality of life of Africans, ranging from the quality of education to the availability of good healthcare.

WHAT IS THE ACBR?

A 500+ page, infographic-packed, insight-driven report providing detailed assessments of 54 African countries. The ACBR scores, ranks and clinically assesses each country holistically, as well as on business, economic, political and social factors.
