INTRODUCTION TO IOA

In On Africa (IOA) is a Johannesburg-based research, advisory and publishing firm founded in 2007. IOA specialises in a wide range of research and intelligence services applicable to Africa and has a network of over 300 consultants in more than 30 African markets. IOA's mission is to inform strategic decision-making to accelerate growth on the continent and provide the necessary support to both private and public actors in achieving this objective.

The services that IOA provides to clients range from high-level industry assessments, market attractiveness studies and consumer research, through to partnership identification and facilitation, due diligence investigations and feasibility studies. The firm's expertise crosses through a number of different economic sectors with past and current projects focusing on industries such as banking and finance, education, energy, healthcare, infrastructure development, manufacturing, oil & gas, telecommunications, transport and utilities among others.

HOW TO APPLY

Complete your submission in two steps:

1. Complete the IOA Consultant Application form [here](#).
2. Prepare to submit the additional required documentation via our online platform:
 - Detailed CV inclusive of a minimum of three references
 - Digital copies of your latest publications
 - Digital copy of your ID/Passport. If working in South Africa but are from another country a valid work permit is required and needs to be submitted as well.
 - Copy of academic qualifications
 - Letter of motivation as to why you would like to be considered
3. All applications will be handled strictly through our online application platform with no submissions accepted outside of the platform. If you experience any platform challenges in the process of applying you can direct queries to Nthathi and Monique at human.resources@inonafrika.com with the subject heading "Application query – Consultant".
