INTRODUCTION TO IOA

In On Africa (IOA) is a Johannesburg-based research, advisory and publishing firm founded in 2007. IOA specialises in a wide range of research and intelligence services applicable to Africa and has a network of over 300 consultants in more than 30 African markets. IOA's mission is to inform strategic decision-making to accelerate growth on the continent and provide the necessary support to both private and public actors in achieving this objective.

The services that IOA provides to clients range from high-level industry assessments, market attractiveness studies and consumer research, through to partnership identification and facilitation, due diligence investigations and feasibility studies.

The firm's expertise crosses through a number of different economic sectors with past and current projects focusing on industries such as banking and finance, education, energy, healthcare, infrastructure development, manufacturing, oil & gas, telecommunications, transport and utilities among others.
