### INTRODUCTION TO IOA

---

In On Africa (IOA) is a South Africa-based, Africa-focused research consulting and business intelligence firm founded in 2007. IOA specialises in a wide range of research and intelligence services for clients across the African continent.

***IOA's mission is to inform strategic decision-making to help accelerate growth on the continent through world class research, analytics and advisory services.***

The services that IOA provides to clients range from in-depth industry assessments, market attractiveness studies, risk assessments and consumer research, through to ongoing business intelligence offerings, competitor monitoring and and social listening.

IOA's expertise crosses through an array of different research areas, with past and current projects focusing on industries such as banking and finance, education, energy, healthcare, infrastructure development, law, manufacturing, mining, oil & gas, telecommunications and transport, among others.
